Thank you for your interest and support of the 2014 Royal Windsor Horse Show.

This year we are delighted to be introducing International Jumping and Dressage to the programme at the show making it the only show in the UK which has international competitions in four different equine disciplines. With the Musical Drive of the King’s Troop, Royal Horse Artillery and the Musical Ride of the Household Cavalry Mounted Regiment, Pony Club Mounted Games and the Shetland Pony Grand National, we hope you will agree we have a full and varied programme.

Entries to the national jumping classes and showing classes can be made online. Please go to our website www.rwhs.co.uk for further details.

We look forward to seeing you at Windsor this year.

With kind regards

SIMON BROOKS-WARD CVO OBE TD,

No hirelings or horses that are registered British Showjumping Grade A or an Advanced Eventer having completed a 3* Horse Trials or above. To be ridden in uniform. No mixed teams.

Teams of three.

Phase 1 - Over a course of approximately nine fences, none of which will exceed 1.05m. Teams will consist of three horses and no rider may ride more than one horse. Teams will jump in the order of the draw, as printed in the Catalogue. The No 1 Riders from each team first, followed by the No 2 Riders and the No 3 Riders.
The twelve teams with the lowest aggregate of faults in Phase 1 will nominate one rider to go through to the final Phase (Phase 2). To determine the placing of teams, faults incurred in Phase 1 will be carried forward to Phase 2.

In the event of equality of jumping faults, the aggregate time of the team will decide.

Phase 2 – The nominated rider from the team placed twelfth in the preliminary round will jump first followed by those riders nominated from the other teams in descending order of faults accumulated from Phase 1. The total faults in both phases will determine the final placings. In the event of a tie in total faults from both phases for any one place, the time of the nominated rider in Phase 2 will decide.
If a competitor is eliminated this will not eliminate the team, but the competitor will be awarded the score of the worst horse, in the phase concerned, with 20 faults added.

A team member may not complete the previous members round until they have had three refusals on the course.
Time penalties of five seconds will be added for each fence down.
Refusals and errors of course will increase the time taken to complete the course.
In the event of a serious accident to either horse or rider the opposing team member will complete their round and the clocks then stopped for both teams. The next competitors will not be allowed to start the course until the injured rider / horse has left the arena. DECREES

1 The Decision of the Committee or the Veterinary Surgeons or of any Judges or Show Officials upon any of the matters required by the following Rules to be decided or directed by any such persons or bodies including any question of height or soundness or want of merit or exclusion from final judging or granting any permission or otherwise shall be final and binding in all respects and no objections shall be made on account thereof nor shall any appeal lie therefrom on any ground whatever.

ENTRYS

2 The Committee will adhere as closely as possible to the published Schedule and Catalogue, but reserve the right in their absolute discretion to put forward or alter any class without notice, if they find it expedient to do so, and the right to refuse any entry, to accept any entry conditionally, and cancel any class through lack of entries or for any other reason, in their absolute discretion.

The Committee reserve the right without assigning any reason to alter the times of any Classes, or to judge Classes in Judging Rings other than those specified in the order of judging, or to make such alterations, including conditions of entry, as may be deemed necessary.

Owners must be bona fide owners on 1st April, 2014, of the horses which they enter, and such Owner’s name will appear in the Show Catalogue. The Owner alone will be recognised as being entitled to any money prizes which may be won by the entries made by him.

No entry will be accepted unless accompanied by the entry fee. Entries must be made on the printed Entry Form obtainable from the Royal Windsor Horse Show, The Royal Mews, Windsor Castle, and must be fully completed and signed by the Owner. No horse will be entered until such entry forms are received and the fees paid. Unless the Entry Form is correctly completed the entries are null and void and the entry fees will be forfeited.

Any exhibitor whose cheque is not cleared through the banking system will incur a £30 surcharge, payable before entries can be accepted.

ENTRIES CLOSE on 1st April, 2014.

Online entries are available at www.rwhs.co.uk.

Entries are always subject to any unforeseen circumstances, such as military exigencies, strikes, or other civil disturbances, fire or other contingencies of any description preventing or rendering it undesirable in the opinion of the Committee for the Show to be held or continued as the case may be, and the Committee may postpone or abandon the Show at their discretion. All entries stand for any postponed show unless withdrawn by written notice to the Secretary within one week of notification of public announcement in the press of such postponement. The postponement or abandonment of the Show either before the opening or at any time during the course of the Show shall not give rise to any claim whatsoever against the Royal Windsor Horse Show or the Committee by Owners, Competitors or others except for refund of prepaid entry fees over £46.50 in respect of classes or competitions not held, or a proportionate part of such fees according to circumstances; in the case of postponement refund will only be made in respect of entries duly withdrawn.

Failure to exhibit any animal entered will entail forfeiture of entry and stable fees to the Show and no refund will be made in any circumstances.

The Docking and Nicking of Horses Act 1949 will be strictly complied with.

CLAIMS

3 The Owner of any horse which shall cause or occasion any damage or injury whatever shall indemnify and hold harmless the Show from and against all legal proceedings, actions, expenses, costs, claims, demands or damages whatsoever arising from any accident or other incident which may occur, and repair any injury which may be so occasioned. Each Owner shall be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from any animal exhibited by him, and for the description as given in the Catalogue; and shall indemnify and hold harmless the Royal Windsor Horse Show in respect thereof as aforesaid.

Neither the Show nor any of its officers or servants shall be in any way responsible or accountable for anything that might happen from any cause or circumstances whatsoever to any persons, or Owners, or their servants, or to any animal or article exhibited, or property brought into the Show Ground and the adjoining Home Park, Windsor, or otherwise for anything else in connection with, or arising out of, or attributable to the Show, or these or any other conditions or regulations prescribed by the Show in relation thereto. Every Owner must have at least one servant in charge of the horse or horses or property exhibited by him.

The foregoing conditions shall expressly apply to all horses and those in charge of them at Stables let by or through the Show.

CARS AND VEHICLES. Vehicles are permitted on the showground, car and horse box parks ONLY AT OWNERS’ RISK.

No responsibility is accepted for cars or other vehicles and / or their contents left in the Official Car Park, or elsewhere, before, during, or after the Show, at any time. Maximum permitted speed is 10mph. All drivers to obey the instructions of security staff, car park attendants, stewards and other officials.
Any objection or protest shall be lodged by obtaining a printed “Objection Form” from the Secretary’s Office on the Show Ground, which must be properly filled up and signed by the Objector and delivered to the Secretary before or within thirty minutes of the end of the judging of the Class in respect of which the objection is lodged.

DEPOSIT  
(a) Objections (regarding height) to any animal holding an Official Measurement Certificate issued under the Joint Measurement Scheme will be referred to the Joint Measurement Scheme of the British Horse Society, British Show Horse Association, British Showjumping, National Pony Society and the British Show Pony Society, and Owners so objecting must deposit the sum of £130, which will be also forwarded with the objection.

(b) Any Owner lodging any objection for any other reason must deposit the sum of £130. If the objection is sustained the deposit of £130 will be refunded, otherwise the deposit will be forfeited.

A Sub-Committee of the Committee of the Show has been formed to consider and deal with all objections and it is a further express condition of entry that the decision of this Sub-Committee shall be absolutely final and binding on all competitors or others interested in any capacity on the Show Ground. The Committee shall consist of the Chairman, Colonel S H Cowen, C M Brooks Esq, S D B Garner Esq and J Doney Esq. A sufficient quorum of the Committee shall be three.

Prize-winners in every class eligible for Championship Classes and winners of prizes for Challenge Cups must compete for such Cups or they will forfeit their class prize money.

Because of the unique and irreplaceable nature of many of the Royal Windsor Horse Show’s cups and trophies, the Committee have reluctantly decided that winners of cups and trophies will not be permitted to take them from the showground.

In any class in which there is an age restriction the name, address and date of birth of the Child Rider must be stated on the Entry Form before an entry will be accepted, and the Parent or Guardian must, if required, produce to the Secretary a certified copy of the entry of birth within seven days of the date of such requirement.

Recognised Official Measurement Certificates, issued under the Joint Measurement Scheme of the British Horse Society, British Show Horse Association, British Showjumping, National Pony Society and the British Show Pony Society only must be produced if required. All horses must be properly shod except for in-hand classes. A false declaration or misstatement of any kind (including a change of names of an animal or incorrect description, or false declaration of prizes won at Horse Shows) may at the discretion of the Committee disqualify an Owner from the Show and the animal entered from any prize, and from entering or being entered again at the Royal Windsor Horse Show. In particular a misstatement as to height will automatically render the animal entered ineligible for any judging or prize. Owners must be prepared to verify any statement in a manner required by the Committee.

In the case of an animal being disqualified whether as a result of any objection or otherwise, the winner of the next succeeding prize in that class shall take the prize that has been awarded to such disqualified animal, and the other animals shall take prizes accordingly, and the lowest monied prize in the class shall be taken by the reserve number.

Rosettes will be awarded to first, second, third, fourth and fifth prize-winners in each class and where a sixth prize is offered a sixth rosette will also be awarded. In Championship classes rosettes will be awarded to the Champion and Reserve Champion.

No alterations or substitutions of an entry will be allowed after it has been received. Entries must therefore be made in the appropriate class or classes for which the animals entered are eligible. In case of doubt as to the eligibility of any animal for any particular class or classes, entries may be made in more than one class on paying the fee for each class, and the animal will be judged in any class or classes for which it may be found to be eligible, but no refund of entry fees will be made.

A horse entered in a wrong class will be excluded from competition and the entry fee forfeited but at the discretion of the judges any horse over the specified weight may be directed to another class. Owners may remove their animals from the Show Ground after judging of the classes in which they are entered, unless eligible for Championship Classes.

The number of animals which shall be asked to give an individual show in any class and the number of horses a Judge shall ride shall be left entirely to the discretion of the Judges.

VETERINARY EXAMINATION
19 The Judges of every class shall have power to require any animal to be examined for soundness by the Veterinary Surgeons. The result of any veterinary examinations shall be regarded as confidential. Unsoundness, notwithstanding an award of prizes, will disqualify, except in the Jumping Competition.
It is the responsibility of Owners of horses / ponies based in the United Kingdom to settle directly with the Show’s veterinary surgeons any veterinary costs incurred while a horse / pony or horses / ponies in their ownership are on the Showground if, for any veterinary or animal welfare reasons, a horse is declared unfit to travel. Any owner who fails to settle a veterinary account and / or other related costs will be excluded from future entry to the Royal Windsor Horse Show.

Where, in the opinion of the Show’s veterinary surgeon, a horse is so severely injured that it ought to be humanely destroyed, the owner / trainer / rider / driver should, wherever possible, first be informed. However, the Show’s veterinary surgeon may proceed with humane destruction, without reference to owner / trainer / rider / driver, in order to prevent undue suffering to the horse. Before taking this action the Show’s Veterinary Surgeon should, wherever practicable, seek a second veterinary opinion. In such eventuality, owners are responsible for the cost of disposal.
EQUINE INFLUENZA VACCINATION CERTIFICATES
