

NSEA Regional Points League final placings for 2018-19

The top 3 Schools from each Region, qualify for the RPL finals at the NSEA Championships.
If a School has qualified in two Regions, the qualification attained in the Region in which the School is located, will count and their other qualification will be passed down.

The Schools marked in yellow have, therefore, qualified.

A school may only enter 1 team, of a maximum of 8 riders, for the Championships

Region 1	Points	Region 2	Points
