NSEA Coronavirus Protocol - Autumn 2021

(will be updated prior to the competition)

HEALTH CHECKS

1. If any competitor, or anybody in their household, is showing symptoms of Coronavirus, they must not attend any NSEA event without taking a PCR test and receiving a negative result.

On the morning of the competition, prior to departure, there should be the following simple health check conducted:

1. Take the temperature of everybody in the household. If anybody has a temperature of over 37.8 degrees, then please seek medical advice and do not attend.
2. Is anybody in the household quarantined because of foreign travel to a country which is not exempt? If so, please do not attend.
3. If anybody in the household has any of the following symptoms then please seek medical advice, and do not attend:
 1. A persistent cough;
 2. A loss of taste or smell;
 3. A temperature (see 1(1) above)

AT THE SHOW CENTRE

2. One person per squad should take charge of ensuring social distancing to ensure that everybody keeps their distance. They should familiarise themselves with one-way systems and protocols specific to each venue which will be available. Regular reminders will need to be given as it is easy to forget things when both on, and off, a horse. Remember to avoid sharing equipment. Household groups - or bubbles - should be maintained when moving around and please follow show centre instructions. Check in advance, for example, to see what, if any, catering facilities are available and plan accordingly.

3. Avoid touching surfaces like jumps or rails, and follow instructions given by show centres.

4. Do not forget to use hand sanitiser on arrival. Show centres will be providing this, but if there are shortages it is obviously sensible to bring your own which should be used regularly. Practise good hand-hygiene as often as possible throughout the day; show centres will all have soap and hot water available.

5. Any person at the event who becomes unwell should immediately isolate with their household, and if necessary should seek medical attention from the Paramedic team in attendance at NSEA events. The household with the unwell person in should leave the show centre to return home.

HEALTH CHECK BEFORE YOU LEAVE

KEEP YOUR DISTANCE

PRACTISE GOOD HAND HYGIENE

Please ensure that you do not muck out your horsebox onto the Car Park. Horses must not be left tied to vehicles unattended. Take all litter home with you.

All dogs must be kept on leads at all times. Any dog mess must be cleared up.

★ Track & Trace

★ Following government guidelines, Team Managers are required to give the Show Secretary a list of all persons attending with their squad, with a parent contact tel no for each household. This information will be kept for 21 days and then destroyed. See Entry Forms for details.
