

4th June 2021

Thank you very much for entering the first NSEA qualifier at Belsay International Horse Trials. We have been completely overwhelmed by the number. As you will see we have about 170 rounds to get through so please be as prompt as possible with course walks and be ready for your time.

Each pony/ horse needs an EHV declaration form completed. These can be found on NSEA website or I can email them to you. These need returned to Gillian. You will need a pass to get onto the showground. Can each Team Manager please email me and I'll send back to you for distribution to your team. Gillian. Each rider will be allowed 2 people on site with them (1 person for each extra pony)

From Class 2 onwards the first 2 teams and first 4 individuals (2 individuals from class 6a and 6b) will get dual qualification for The Northern Festival in National Championship in October

We are delighted that we have sponsorship for each class of both rosettes and prizes. Can Team Manager's please collect prizes before you leave?

Any questions or changes please get in touch
