## Estimated event guide - subject to change

### **Thursday or Friday - Arrival**

We will be serving the normal menu at our catering wagon during the day and in the evening additional food vans will arrive with a choice of Curry and Pizza nights.

### **Friday - Dressage day**

The dressage will consist of short arena tests for 60cm, 70cm & 80cm classes and long arena tests for the 90cm & 100cm classes. Dressage will be held in our outdoor arena.

The warm up will be marked and there will be a steward on hand to answer any queries. Please make sure you are warmed up in plenty time for your dressage slot.

The cross country will be available to walk in the afternoon/early evening and guided course walks from an international event rider will be taking place. Times will be advertised on Eventing Scores.

### **Saturday - Steeplechase, Roads and Tracks + XC**

Warm up followed by the course of Steeplechase jumps to be completed within a set time - immediately on to the short Roads and Tracks finishing in the 10min box. 10 minute break where your horses is assessed by our veterinary team and then onto the Cross Country Track to finish.

The cross country course will be designed and build by The Willis Brothers. All jumps are solid and built to British Eventing standards. The course will be the same as our BE course so care must be taken to ensure that both the horse and rider have undertaken sufficient fitness work to avoid any injuries or unnecessary stress!

## **Saturday Evening**

The evening will see the additional catering vans return for dinner options as well as a raffle of amazing prizes to be won

## **Sunday - Show jumping**

A trot up will be held on Sunday morning (time to be confirmed), in front of the Ground Jury to ensure that the horses are fit and well after the cross country day.

Make sure to bring your finery as there will be a prize for best dressed. All horses should be plaited and well turned out.

Following on from this the show jumping will begin for each class in reverse order (so the leader after cross country will jump last). The course will be designed by a British Show jumping course designer and will be up to height.

Presentation of the prizes to follow.

**Classes will probably run 100, 90, 80,** but we may need to change the order based on the numbers of entries. All classes are run under the guidance of British Eventing rules for Horse Trials. Horses/ponies must be at least 4 years old.
